

# Strategic Consortium of Intelligence Professionals (SCIP)

"INTELLIGENCE FOR THE BETTERMENT OF PEOPLE AND PLANET"

## GLOBAL SCIP INTELLIGENCE CENTERS OF EXCELLENCE (ICoE)

Worldwide implementations of Intelligence hubs addressing business, government and academic challenges for growth on a regional basis.

### MISSION

To establish geographic regions of Intelligence Centers of Excellence, as an extension of the SCIP Consortium and to bring together local Subject Matter Experts and Intelligence Thought Leaders to share best practices, tools, methods and processes from Academic, Enterprise, and Government Institutions that address local challenges within the data-driven Intelligence Community.

### OBJECTIVES

#### Promote DDDM

To drive data-driven intelligence for global sustainability and corporate growth.

01

02

STAGE

#### Expansion of Intelligence Ecosystem

To drive data-driven intelligence for global sustainability and corporate growth.

#### Executive/ C-Suite Leadership

To empower leadership through Intelligence for unparalleled success.

03

04

#### Sharing of Expertise

To share regional CI Intelligence practices with SCIP community as a central hub for Intelligence-related matters.

#### Reinforce SCIP Value Proposition

To actively support SCIP's mission and be an integral part of the Intelligence Consortium.

05

### OUTCOMES

01

#### Best Practices

Identify CI best practices and expand the Intelligence Ecosystem.

02

#### Intelligence Think Tanks (ITTs)

ITT meetings with experts to discuss technology, social, business topics in an inclusive environment.

03

#### Company Showcasing

Identify companies excelling in leveraging CI for transformation, growth, and sustainability.

04

#### Community Building

Foster community participation in shaping the future intelligence for people and planet.

05

#### Global Impact

Build global partnerships with expanded SCIP community across different sectors.

06

#### Promote Thought Leadership

Create powerful thought leadership leveraging the entire Intelligence value chain.
