

Strategic Consortium of Intelligence Professionals (SCIP)

"INTELLIGENCE FOR THE BETTERMENT OF PEOPLE AND PLANET"

Strategic Consortium of Intelligence Professionals (SCIP) organization is committed to promoting the power of Intelligence-driven applications in economic, social, and behavioral initiatives towards building organizational wellness and growth. This is accomplished by empowering our community of Intelligence stakeholders in enterprise, academia, and government in using intelligence-driven technology and proven methodologies to generate positive outcomes in individuals, businesses, and communities.

PURPOSE

- 1 SCIP drives Intelligence-driven Strategy across sectors, uniting stakeholders from enterprise, academia, and government.
- 2 Our purpose empowers progress through innovative methodologies, fostering positive impact on individuals, businesses, and communities.
- 3 As catalysts for change, we align Intelligence with sustainability and Social Responsibility, shaping a future of strategic growth and ethical advancement.

SCIP is the Global Repository of Intelligence Ecosystem information that benefits the entire SCIP community.

OBJECTIVES

- To promote data-driven methods for competitive growth and societal progress.
- To evolve into a global intelligence hub through partnerships and presence.
- To enhance value through intelligence-driven insights and tools.
- To lead a worldwide community for sustainable, socially responsible intelligence.
- To lead in Ethical Intelligence Business practices globally

THE 9 PILLARS OF SCIP'S VALUE PROPOSITIONS

- Competitive Intelligence Leadership**
Understanding and utilizing those proven processes that yield the best ROI.
- Global Repository of Intelligence Body-of-Knowledge**
Researched library of best practices, methodologies, tools, and resource requirements.
- Community of Intelligence Thought Leadership**
Prominent subject matter expert leaders from Enterprise, Academia and Government institutions.
- World-class Training and Certification Programs:**
Proven and award-winning instructions from industry-best solution providers.
- Digital Transformation and Data-First Thought Leadership:**
Strategic insight and expertise in digital data modernization techniques for strategy development.
- Intelligence Partnerships and Alliances Hub:**
Network of Intelligence partner organizations spanning global expertise and knowledge.
- Global Forums of Intelligence Operational Centers of Excellence:**
Geographic areas of Intelligence communities that address global and regional issues.
- Intelligence-driven Sustainability and Social Responsibility:**
Spearheading Intelligence-driven initiatives towards betterment of people and planet.
- Intelligence Code of Ethics Pioneer:**
Establishment of a behavioral set of rules around Intelligence governance and usage.

SCIP RESOURCES

SCIP Provides 1500+ number of assets and resources for our SCIP community. This includes:

- Articles**
Our articles equip the CI community with leading-edge insights for intelligence-driven growth.
- Podcast**
Stream into the world of Intelligence and Strategy with SCIP Podcasts.
- Benchmarks**
Quick start books for Competitive Intelligence Benchmarking and Research
- Videos**
Informative videos on intelligence to provide valuable insights and knowledge.
- I_MAG**
The Intelligence Magazine for the Intelligence Consortium.
- Buyers Guide**
Your trusted resource for connecting with service providers offering support from primary research to CI services.
- Job Board**
Your gateway to career opportunities and talent acquisition.
- CI Service Providers**
Your trusted tool to find service providers for primary research, AI-enabled CI, war game facilitation, and more
- Newsletter Sign-Up**
